

Our Featured Project

Shinmei

The building is ready for the owner's equipment delivery, which is scheduled for June, 2015. Production scheduled to start in August.

The project was developed for Shinmei Corporation by Potter Taylor & Company and MacLaughlin & Company. The project was completed by Alston Construction. This production and distribution facility is located in the Southport Business Park in West Sacramento and totals 28,008 SF.

Alston Construction would like to thank the Subcontractor team that helped in the successful completion of this project.
